Academic Experience

## 2. Students may find it more useful if the syllabus included ... (Please provide details):

144 responses

-

Yes

NA

.

More study material and group related activities

more practical and interactive classess and internships

New tax information. More about trading and shares.

More French language usage

Internships

More of the field visits

Everything required to clear competitive exams like NET

Practical applicability and on field course work

All subjects

The current syllabus is very good

Practical exposure with the corporate world

More Concepts where in hands on experience is provided

Practical content , Research Methodology course

Paper trades followed by live trades

on campus interviews even for students from humanities background, more practical work, honing of the communication skills, team building activities, (support from the faculty for participating in more intercollegiate events for exposur)

Field study

Exposure to Government Organization

Competitive exams preparation class

Recent discoveries

More relevance

More in depth

Limited topics and proper teaching

More practical and field visits

Hands-on experience training programs

\*Individual practical in library

\*Giving the students some task on circulation section, students can get more knowledge and get easy to use softwares.

\* Study tour in Central library in details and in Nio Library and more

Practicles

Yes

Marine Animal handling, hands on training for Marine sample collection.

Atleast one paper on Grammer

More skill oriented / training

All Good

Copyrights /Intellectual Property Rights

Something to improve one's writing skills.

More hands on training, internships, research aspects

Updated syllabus

It defers to individuals.

Net/ Set guidance programs

More Practical teaching To Be included

More all round skills

National entrance exam (CSIR NET)

More practical work

Syllabus based on CSIR NET

Skill developments and related today's job requirements. And also updating with more practical knowledge related jobs available in goa or India,

The syllabus was structured very well. I loved all the papers. Especially the course on academic writing was very helpful. It'll be great if such courses can be incorporated in the syllabus.

Choice Subjects

More Modern day adaptations of writer's work in terms of movie's, short Stories etc

English novel

English Drama

Indian writing in Translation

The Graphic novel

English poetry

Novel as a Literary Form

Goa cultural perspective

Literary Criticism

Academic writing in English

Cultural studies

Post Colonial theories and Literatures

American literature

Shakespeare plays

Study of major Dramatist Harold Pinter

D. H Lawrence as a Novelist

1. More of Contemporary Literary Theories such as queer theory, trauma theory, critical race theory, etc; as it enables to have a better perspective of a literary text.

2. Paper on Gender and Sexuality.

Communication and content writing skills

More practical aspects

if the syllabus included about research as the core subject

Dalit literature as an individual paper.

Field work

Some books which have life experiences

More practical experience

Blended learning

Internship opportunities and so that practical skills were gained to get a employment sooner.

Practical classes and activities

Workshops/papers exposing students to various professions they could take up after the degree(translator, editor, etc)

Contemporary and Modern Literature to

More about Goan literature

Applicability

Some more practical work

More up to date literature, modern issues, themes, and concerns in literature, educational tours, etc

More interactive events related to the syllabus. Books written in this decade

More poetrys and plays than Novels

Projects as a compulsion;as it pushes the stakes of a students understanding to explore outside the scope of the subjects provided

More hands on field work

Making of Bonsai or Cultivation of exotic species

Technical use in preparation of notes or projects like make creative videos and be assessed accordingly

Grammar paper

Applicative Subjects that are directly Involvement with the industries like Mining, Hydrogeology

Gis courses, Geophysics practicals

Field trip

More fields related to botany rather than exaggerating on the same graduation topic

Additional examples with recent research

Indian writings to acquaint is with Indian ethos

How to teach English language at the school or at the University

New age techniques like bioinformatics

More of practical knowledge

And giving more importance to laboratory techniques

More practical work

The syllabus was very detailed and it was a great experience as it is

Microbiology, enzymology, genetic engineering

Remote Sensing & GIS

Syllabus includes marine microbiology, microbial technology, biochemistry, molecular biology, microbial interaction, environmental microbiology, techniques and instrumentation

If the syllabus is updated with current knowledge

No

Technical microbiology, handling of instruments.

Is not much lengthy

Soft skills, PowerPoint presentation, and skills which helps in real life situation

Library administration, Intellectual property rights.

Skill Development, Administrative works

The syllabus was good, but it would have been better if the courses would be more practical than theoretical. By this I mean more of more of field based research and reality's of societies could have been observed through field trips.

Mathematics, statistic, econometrics, and other

Projects

Internet facility

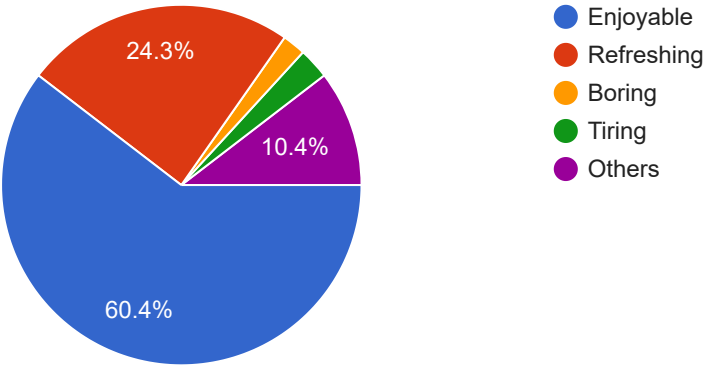

Recent development importance and application

Nil

NA

N

So far I have received all the help from my department I always needed

To have my part in developing of Goa University and supporting their students

Better infrastructure and skilled knowledge

To be in touch and be included in various activities and have small interactive courses in the future.

Regular communication

more Job opportunities

I cannot answer this question as I do not have much knowledge in this matter.

Bring in more diversified recruiters and placement opportunities. The existing system is good.. but it can always be better

No expectations

Support the programs organised by the alumni association
