Discussion on students' feedback of M.Sc. Zoology programme:

The feedback on all the overall academic content of the courses of semester I and III received from the students were generally satisfactory and good. Based on the feedback of the students, the following actions were recommended:

- 1) Teachers are advised to make use of additional online resources and provide the links / e-content to the students
- 2) Teachers are advised to update their knowledge base of the courses taught by them
- 3) Teachers are advised to provide more reading material to students for their respective courses.
- 4) Teachers are requested to improve the quality of assignments/tests for ISAs.
- 5) Teachers are requested to employ fair means for evaluation.
- 6) Teachers are advised to integrate their respective course material with other courses in the programme so as to gain a better understanding of the subject.
