| 8. Dr. P. M. D'Costa, Member        |  |
| 9. Dr. V. S. Damare, Member         |  |
| 10. Dr. C.V. Berde, Member          |  |

The following members were unable to attend the meeting:

- Dr. N. A. F. Sequeira, Member
- Mr. M. M. Mayekar, Member
- Dr. A. Naik, Member

**Agenda:**

- 1. Approval of SEA Timetable (Semesters I & III) of the following programs**
  - a) M.Sc. in Applied Geology.
  - b) M.Sc. in Marine Sciences.
  - c) M.Sc. in Marine Microbiology.
  - d) M.Sc./M.A. in Environmental Science.

The SEA timetable for the programs mentioned above has been approved.

- 2. Student's feedback for the following programs**
  - a) M.Sc. in Applied Geology.
  - b) M.Sc. in Marine Sciences.

The feedback received for Marine Science and Applied Geology were discussed and attached as annexures I and II respectively.

### 3. Reporting issues discussed at Dean's meeting with VC sir

The following points were discussed:

- a) **Development of Five-Year Integrated Program:** It was emphasized that five-year integrated programs must be designed promptly. Dr. A. A. A. Viegas, Chairman of the internal committee, was requested to draft the program structure and first-year syllabus, to be completed by January 2025.
- b) The Chairman also proposed structuring a six-month postgraduate certificate course.
- c) **Update on Leave Application Process:** It was noted that the GUMS portal is no longer operational for processing leave applications. All leave applications should be submitted via a single e-file for record-keeping, with a hard copy maintained in the office. Non-teaching staff should also be informed of this update.
- d) **NEP Workshop Participation:** All Program Directors and BOS Chairpersons are encouraged to apply for and attend the upcoming NEP workshop.

The meeting ended with thanks to the chair.

  
**Dr. Diviya Vaigankar**  
Member Secretary,  
(SEOAS)

## Annexure II

### Student's feedback for 2023-2024

Feedback for following semester courses was received.

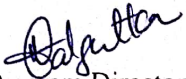

SEMI: GEO-500, GEO-501,

SEMII: GEO-510, GEO-511, GEO-512, GEO-513, GEO-514, GEO-515, GEO-516, GEO-517, GEO-527, GEO-528

The feedback from students for these courses was good and very good.

No feedback was received for other courses and for Semester III and IV courses.

Students have been reminded to provide feedback for all papers submitted.

  
Program Director  
Applied Geology
