Students' Feedback for AY 2023-24

Analysis of Students' feedback for Biochemistry Courses & Action Taken Report

Students feedback for Biochemistry courses of the Academic year 2023-24 as received from Goa University Directorate of Internal Quality Assurance was shared among all the faculty members of School council. This students' feedback was scrutinised and analysed by the members during the School Council meeting and observed that there were not many courses with overall >10% unsatisfactory remarks.

Some unsatisfactory remarks were noted particularly for availability and access to IT resources (lab, software, Internet, etc.) to the students.

Action taken report

With regards to IT facilities more than 15 computers are now installed with the licenced operating system in the internet room of SCS with essential software required for dissertation of SCS students.

Approved in School council meeting on 17/12/2024.

Approved in BoS meeting on 13/01/2025.

Students' Feedback for AY 2023-24

Analysis of Students' feedback for Chemistry Courses & Action Taken Report

Students feedback for Chemistry courses of the Academic year 2023-24 as received from Goa University Directorate of Internal Quality Assurance was shared among all the faculty members of School council. This students' feedback was scrutinised and analysed by the members during the School Council meeting and observed that there were not many courses with overall >10% unsatisfactory remarks.

Some unsatisfactory remarks were noted particularly for availability and access to IT resources (lab, software, Internet, etc.) to the students and for Part-II syllabus content of the CHC-600 Research Methodology and instrumental techniques-I course.

Action taken report

- 1) To address the concerns regarding syllabus content for Part-II of the CHC-600 Research methodology and instrumental techniques-I course, a revision of the syllabus was proposed and a faculty member was given the responsibility of the same.
- 2) With regards to IT facilities more than 15 computers are now installed with the licensed operating system in the internet room of SCS with essential software required for dissertation of SCS students.

Approved in School council meeting on 17/ 12/2024.

Approved in BoS meeting on 13/01/2025.
