

Report of the Student's Feedback for AY 2023-24

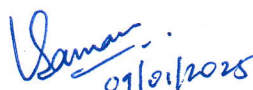

Student's Feedback for AY 2023-24 was obtained. All the students have filled the response forms. The responses obtained were 14 for Core courses (Sem I and II) and ranged between 4-8 for Optional courses of Sem I and II, and 5-9 for Sem III and Sem IV courses. The feedback was overall Very good, Good followed by Satisfactory. About 20 % responses were 'Unsatisfactory' for availability and access to IT resources. About 11 % responses from Part I were 'Unsatisfactory' for availability and access to library resources.

Only 1 course received very poor response of 56%. About 13% of courses (i.e. 5 courses) received 63 % responses. About 20 % of the courses received 75% responses. Rest all courses received more than 80 % responses. About 58% courses received 100% response.

It was decided that the students will be encouraged to visit the library regularly, and avail the computer facilities there. It was also decided that computers for students will be procured under Marine Microbiology Programme in the near future.
