

Programme: M.Sc. (Biochemistry)

Course Code: BCO 202

Title of the Course: TRAINING IN AN INSTITUTE / INDUSTRY / UNIVERSITY

Number of Credits: 1

Effective from Academic Year: 2018-19

Prerequisites	Knowledge about the basic techniques in biochemistry and microbiology.	
Objective:	To provide hands-on experience in the application of biochemical and microbiological techniques in research institutes/industries/universities. To experience the workings of commercial industries.	
Content:		(24)
	The student shall be required to: 1. Undertake training for a minimum period of ten working days or its equivalent. 2. Submit to the Department of Microbiology, Goa University, a Certificate of attendance signed by the Training Coordinator of the respective Institute / Industry / University. 3. Submit to the Department a Report of the work undertaken. 4. Make a Presentation of the work carried out, to the Department Council for evaluation.	
Pedagogy:	Short-term internship (minimum 10 days) at an institute/industry/university	
References/ Readings	As suggested by the demonstrator to the participating students.	
Learning Outcomes	Apply the techniques of biochemistry and microbiology to a range of situations.
