

**Programme: M.Sc. (Microbiology)**

**Course Code: MIO 202**

**Title of the Course: TRAINING IN AN INSTITUTE/ INDUSTRY/ UNIVERSITY**

**Number of Credits: 1**

**Effective from Academic Year: 2018-19**

<b>Prerequisites</b>	Knowledge about the basic techniques in microbiology.
<b>Objective:</b>	To provide hands-on experience in the application of microbiological techniques in research institutes/industries/universities. To experience the workings of microbiology-related departments in commercial industries.
<b>Content:</b>	<p>The student shall be required to</p> <ol style="list-style-type: none"><li>1. Undertake training for a minimum period of 10 working days or its equivalent.</li><li>2. Submit to the Department of Microbiology, Goa University, a certificate of attendance signed by the Training Coordinator of the respective Institute/ Industry/University.</li><li>3. Submit to the Department a Report of the work undertaken.</li><li>4. Make a Presentation of the work carried out, to the Department Council for evaluation.</li></ol>
<b>Pedagogy:</b>	Short-term internship (minimum 10 days) at an institute/industry/university
<b>References/ Readings</b>	As suggested by the demonstrator to the participating students.
<b>Learning Outcomes</b>	Apply the tools and techniques of microbiology to a range of situations.
