OPTIONAL COURSES

Programme: M. A. (Women's Studies)

Course Code: WS0-111

Title of the Course: WOMEN'S HEALTH - CRITICAL DEBATES

Number of Credits: 4

Effective from Academic Year: 2018-19

Droroguisitos for the	Student should be registered with Goa University Post-	
Prerequisites for the	Graduate Programme	
Course:		
Objective:	The course discusses the debates around health policy and programme in India and stresses the potential for women's agency and autonomy with respect to improving their health and environments.	
<u>Content:</u>	Module 1: Health, Gender and Power: Discrimination, Food access and Health. Traditional medicine: women and the power of knowledge over traditional health systems, family kitchens, pregnancy and childbirth etc. Harmful traditional practices and women's health. Women's bodies as sites of control -menstruation, family planning and contraceptive technology. The gender of health care providers.	12 Hours
	Module 2: Health Policy in India: Welfare to Empowerment, Family Planning, Surrogacy Laws, Maternity Benefit Act. Reproductive health and health care. Debates around Pre-Conception and Pre-Natal Diagnostic Test (PCPNDT) Act, abortion and medical termination of pregnancy. Women's health and the global environment. Medicalization of women's health concerns. Women as consumers of health care and health insurance.	12 Hours 14 Hours
	Module 3: Women's Experience and Health: Health and Violence: Psychological concerns and women coping with stress (pre-menstrual syndrome, post-natal depression and other mental health concerns): Alcoholism, drug abuse. Lifestyle and health including sterility. Special issues in women's health (menopause, cervical and breast cancer, hysterectomy, violence, AIDS and aging). Occupational health concerns (women in construction, mining etc.) and health issues of marginalized women (commercial sex workers, women living in remote locations, etc.)	10 Hours

sources (sex ratio, mortality, morbidity, hygiene and sanitation, etc.): WHO, NFHS, DLHS, State Health Intelligence Bureaus etc. State health related schemes and programmes. Pedagogy: lectures/brain-storming sessions/assignments/self-study/ documentaries and discussion/ group readings and discussions/ poster making/presentations Andrist Linda. 1997.
