DECLARATION

I hereby declare that the data presented in this Dissertation / Internship report entitled, “Isolation of siderophore-producing bacteria from mangrove ecosystem and its application in agriculture” is based on the results of investigations carried out by me in the (Master of Science in Biochemistry) at the School of Chemical Sciences, Goa University under the Supervision/Mentorship of Dr. Amrita P Kharangate and the same has not been submitted elsewhere for the award of a degree or diploma by me. Further, I understand that Goa University or its authorities will not be responsible for the correctness of observations / experimental or other findings given the dissertation.

I hereby authorize the University authorities to upload this dissertation to the dissertation repository or anywhere else as the UGC regulations demand and make it available to anyone as needed.

ACKNOWLEDGMENT

I would like to express my special thanks to my Guiding Teacher Dr. Amrita Pradeep Kharangate, School of Chemical Sciences, Goa University, who gave me guidance, Inspiration, and help during the course of my project study.

I extended my sincere thanks to Dr. Vidhyadatta M. Shet Verenkar, Dean of the School of Chemical Sciences, Goa University, for allowing me to carry out my project study.

I would like to thank the teacher of the School of Chemical Sciences for helping and providing essential information to carry out this study.

I would also like to thank my parents and friends Vidhya Gavade, Shavila Pagi, Sumedha Ghadi, Brijesh Gaonkar, Roshan Kenyal, Sudhin Menon, Vidhya Chigadinkopkar, Khushi Shrivastava and Mr. Pritesh Khobrekar for their guidance, help, support, and encouragement.

Lastly, I would like to thank the Almighty For bestowing upon me a good health to carry out my work.
