SCHOOL OF CHEMICAL SCIENCES

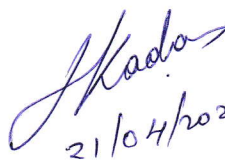

Goa University National Internship Program (GUNIP)

This is to certify that the student, Ms. Dakshata Dattaram Naik Gaunekar, enrolled under Goa University National Internship Program, has completed the internship training from 03rd April 2023 to 20th April 2023 under guidance of Dr. Hari K. Kadam at School of Chemical Science, Goa University.

During the internship period, the student obtained hands-on training on use of HPLC (JASCO), LCMS (Shimadzu) and GC-FID (Shimadzu) instrument.

Students has extensively used HPLC and LCMS for Qualitative and Quantitative analysis. The student has acquired skills to develop method for analysis of pharmaceutical products and method validation.

During her internship training, we found her sincere, honest and hardworking. We wish her all the best in her future endeavours.
