ACKNOWLEDGEMENT

I take this opportunity to express my gratitude and sincerity to all who have directly and indirectly helped me in completing my thesis. Firstly, I take this privilege to express my gracious thanks and regards to my guide, **Prof. Vishnu Murty Matta**, Marine Science, School of Earth, Ocean and Atmospheric Sciences for his valuable guidance, support and untiring effort during the course of dissertation.

Secondly, I extend my sincere gratitude to **Dr. Ashwini Kumar**, Senior Scientist, Geochemical Oceanography Division, CSIR-NIO, Goa for allowing me to pursue my research work and also for utilizing the available infrastructure facilities at CSIR-NIO, Dona Paula. I am grateful to **Mr. Prema Piyusha Panda**, Research Scholar at CSIR-NIO, for his knowledge and perceptiveness have not only supervised my thesis but have also built in me the confidence to plan and work independently.

Also, I am grateful to the Dean of School of Earth, Ocean and Atmospheric Sciences, **Sr. Prof. C.U. Rivonker** and all other faculty members for their willingness to help me whenever approached.

I wish to give my hearty thanks to **Mr. Ankush Kaushik and Ms. Garima Shukla**, Research Scholars at CSIR-NIO, for their timely help and suggestions amidst their busy schedule. I would also like to thank my friends and classmates especially to Bindiya, who has helped me and encouraged me to face difficulties with responsibility. Last but not the least, special thanks to my parents and my brothers for having faith in my efforts and their everlasting support which made me capable of choosing the best myself.

Jolitta Fernandes
