"EXTRACTION OF PIGMENTS FROM HALOPHILES AND

FUSARIUM SPECIES"

DISSERTATION

Course code and Course Title: BCD 510 Dissertation

Credits: 08

Submitted in partial fulfilment of Master's Degree

M.Sc. in Biochemistry

By

MISS. NAMITHA PANDAY

Roll Number: 21P046016

Under the Supervision of

DR. PRACHI S. TORNEY

SCHOOL OF CHEMICAL SCIENCES SECTION OF BIOCHEMISTRY

GOA UNIVERSITY DATE: APRIL 2023

Seal of the School

Examined by:

P. S. Torny) 9/5/23

DECLARATION BY STUDENT

I hereby declare that the data presented in this Dissertation report entitled, "Extraction of

Pigments from Halophiles and Fusarium species" is based on the results of investigations

carried out by me in the Section of Biochemistry at the School of Chemical Sciences, Goa

University under the Supervision of Dr. Prachi S. Torney and the same has not been

submitted elsewhere for the award of a degree or diploma by me. Further, I understand that

Goa University or its authorities will be not be responsible for the correctness of

observations/ experimental or other findings given in the dissertation.

I hereby authorize the University authorities to upload this dissertation on the dissertation

repository or anywhere else as the UGC regulations demand and make it available to anyone

as needed.

NAMITHA PANDAY
