DECLARATION BY STUDENT

I hereby declare that the data presented in this dissertation entitled '**Application Of Anion Coordination Chemistry In Extraction Of Chromium From Aqueous Media**' is based on the result of investigations carried out by me in the School Of Chemical Sciences, Goa University under the supervision of Dr. **Kiran Dhavskar** and the same has not been submitted elsewhere for the award of a degree or diploma. . Further, I understand that Goa University or its authorities will not be responsible for the correctness of observations / experiments or other findings given in the dissertation.

I hereby authorize the University authorities to upload this dissertation on the dissertation repository or anywhere else as the UGC regulations demand and make it available to any one as needed.
