

Ph dependent UV-Visible Spectrophotometric Study of Natural Colouring Pigments

A Dissertation / An Internship Report for

Course code and Course Title: CGO-500 Dissertation

Credits: 08

Submitted in partial fulfilment of Masters Degree

M.Sc in Analytical Chemistry

By

PORNIMA TULSHIDAS PARSEKAR

21PO49061

Under the Supervision of

DR. HARI K. KADAM

School Of Chemical Sciences Goa University
Analytical Chemistry

COMPLETION CERTIFICATE

This is to certify that the dissertation entitled is Ph dependent UV-Visible Spectrophotometric Study of Natural Colouring Pigments is bonafide work carried out by Miss Pornima Tulshidas Parsekar under my supervision in partial fulfilment of the requirements for the award of the degree of Master of Science in Chemistry in the Discipline Analytical Chemistry at the School Of Chemical Sciences, Goa University.

Dr. HARI K.KADAM
Associate Professor
Analytical Chemistry

Date: : 15 April 2023

06/05/2023

Prof. Vidhyadatta Verenkar
Dean Of school of chemical sciences
Goa university
Date: 15 April 2023
Place: Goa University

School Stamp

DECLARATION BY STUDENT

I hereby declare that the data presented in this Dissertation / Internship report entitled, Ph dependent UV-Visible Spectrophotometric Study of Natural Colouring Pigments. is based on the results of investigations carried out by me in the Analytical Chemistry at the School Of Chemical Sciences , Goa University under the supervision of Dr. HARI K. KADAM and the same has not been submitted elsewhere for the award of a degree or diploma by me. Further, I understand that Goa University or its authorities will be not be responsible for the correctness of observations / experimental or other findings given the dissertation. I hereby authorize the University authorities to upload this dissertation on the dissertation repository or anywhere else as the UGC regulations demand and make it available to any one as needed.

Ms. PORNIMA TULSHIDAS PARSEKAR
