DECLARATION BY STUDENT

I hereby declare that the data presented in this dissertation report entitled, "Studies on the Synthesis of Nitrogen containing Fused Heterocycle" is based on the results of investigations carried out by me in Organic Chemistry at the School of Chemical Sciences, Goa University under the supervision of Dr. Bidhan A. Shinkre and the same has not been submitted elsewhere for the award of a degree or diploma by me. Further, I understand that Goa University or its authorities will be not be responsible for the correctness of observations / experimental or other findings given the dissertation.

I hereby authorise the University authorities to upload this dissertation on the dissertation repository or anywhere else as the UGC regulations demand and make it available to any one as needed.

Mr. Shubham Chandrashekher Rivonker
