DECLARATION

I hereby declare that the data presented in this dissertation report entitled, "Synthesis and Characterization of Novel Ruthenium Complexes" is based on the results of investigations carried out by me in the Inorganic Chemistry at the School of Chemical Sciences, Goa University under the Supervision of Dr. Deepika Karmalkar and the same has not been submitted elsewhere for the award of a degree or diploma by me. Further, I understand that Goa University or its authorities will be not be responsible for the correctness of observations/experimental or other findings given in the dissertation.

I hereby authorize the University authorities to upload this dissertation on the dissertation repository or anywhere else as the UGC regulations demand and make it available to any one as needed.

Abhishek Vasant Gawas

M.Sc. Part II Inorganic Chemistry

School of Chemical Sciences

Date: 30/04/24

Place: Goa University

COMPLETION CERTIFICATE

This is to certify that the dissertation report "Synthesis and Characterization of Novel Ruthenium Complexes" is a bonafide work carried out by Mr. Abhishek Vasant Gawas under my supervision in partial fulfilment of the requirements for the award of the degree of Master's in Science in Inorganic Chemistry at the School of Chemical Sciences, Goa University.
