DECLARATION

I hereby declare that the data presented in this Dissertation report entitled, "Synthesis and Characterisation of $Mg_xCo_{1-x}Fe_2O_4$ (x=0.0,0.2,0.4,0.6,0.8,1.0) by combustion method and study of its solid-state properties", is based on the results of investigations carried out by me in the Inorganic Chemistry at the School of chemical sciences, Goa University under the supervision of Prof. Vidhyadatta M. Shet Verenkar and the same has not been submitted elsewhere for the award of a degree or diploma by me. Further, I understand that Goa University or its authorities will not be responsible for the correctness of experimental or other findings given the dissertation.

I hereby authorize the University authorities to upload this dissertation on the dissertation repository or anywhere else as the UGC regulations demand and make it available to any one as needed.
