

Study of Adsorption, Degradation and Mobility of pesticide Chlorpyrifos in Goan soils

A Dissertation for

Course code and Course Title: CHC-651 Discipline Specific Dissertation

Credits: 16

Submitted in partial fulfilment of Masters Degree

M.Sc in Analytical Chemistry

By

MARK RODRIGUES

Seat Number: 22P0490039

ABC ID: 610-261-158-525

PRN: 20190386

Under the Supervision of

RUPESH E. PATRE

DECLARATION BY STUDENT

I hereby declare that the data presented in this Dissertation report entitled, "**Study of Adsorption, Degradation and Mobility of pesticide Chlorpyrifos in three different Goan soils**" is based on the results of investigations carried out by me in the Analytical Chemistry at the School of chemical sciences, Goa University. Under the Supervision of Dr. Rupesh E. Patre and the same has not been submitted elsewhere for the award of a degree or diploma by me. Further, I understand that Goa University or its authorities will be not be responsible for the correctness of observations / experimental or other findings given the dissertation.

I hereby authorize the University/college authorities to upload this dissertation on the dissertation repository or anywhere else as the UGC regulations demand and make it available to any one as needed.
