DECLARATION BE THE STUDENT

I hereby declare that the data presented in this dissertation report entitled, "Separation of antihistamines from excipients in tablet formulation, and their analysis using RP-HPLC is based on the results of investigations carried out by me in the Analytical Chemistry at the School of Chemical Sciences, Goa University under the Supervision of Dr. Prajesh Volvoikar and the same has not been submitted elsewhere for the award of degree or diploma by me. Further, I understand that Goa University or its authorities will not be responsible for the correctness of observations / experimental or other finding given the dissertation.

I hereby authorize the University authorities to upload this dissertation on the dissertation repository or anywhere else as the UGC regulations demand and make it available to any one as needed.

COMPLETION CERTIFICATE

This is to certify that the dissertation report, "Separation of antihistamines from excipients in tablet formulation and their analysis using RP-HPLC" is a bonafide work carried out by Ms. NIKITA KUMARI under my supervision in partial fulfilment of the requirements for the award of the degree of Master of Science in the Discipline Chemistry at the School of Chemistry Sciences, Goa University.

Dr. Prajesh.S.Volvoikar
Assistant professor in Analytical Chemistry
School of Chemical Sciences
Goa University

Date: 29/04/2024

Prof Vidhyadatta. M. Shet. Verenkar

Prof. in Inorganic Chemistry

Dean of School of Chemical Sciences
