DECLARATION BY STUDENT

I hereby declare that the data presented in this Dissertation report entitled, "**Study of Catalytic Reactions using Metal - Proline**" is based on the results of investigations carried out by me in "Analytical Chemistry" at the School of Chemical Sciences, Goa University under the Supervision/Mentorship of **Dr. Kiran T. Dhavskar** and the same has not been submitted elsewhere for the award of a degree or diploma by me. Further, I understand that Goa University or its authorities will not be responsible for the correctness of observations / experimental or other findings given in the dissertation. I hereby authorize the University authorities to upload this dissertation on the dissertation repository or anywhere else as the UGC regulations demand and make it available to any one as needed.
