Investigation of Thermal and Electrical conductivity of MnTiO₃

A Dissertation for

Course code and Course Title: CHC-651. discipline Specific Dissertation(T)

Credits: 16

Submitted in partial fulfilment of MSc in Chemistry

by

Shreesha Harichandra Khandeparkar

Rollno:22P0490070

ABC ID: 257-508-690-954

PRN: 201905594

Under the Supervision of

Dr. Anjani. P. Nagvenkar

School of chemical science
Physical chemistry

Goa University

Date: 29/04/2024

Examined by:

01/3/05/2019

DECLARATION BY STUDENT

I hereby declare that the data presented in this Dissertation report entitled, "Investigation of

thermal and electrical conductivity of MnTiO3" is based on the results of investigations carried

out by me in the Physical Chemistry at the School of chemical Science, Goa University under

the Supervision of Dr. Anjani P. Nagvenkar and the same has not been submitted elsewhere

for the award of a degree or diploma by me. Further, I understand that Goa University or its

authorities / College will be not be responsible for the correctness of observations /

experimental or other findings given the dissertation.

I hereby authorize the University authorities to upload this dissertation on the dissertation

repository or anywhere else as the UGC regulations demand and make it available to any one

as needed.

COMPLETION CERTIFICATE

This is to certify that the dissertation report "Investigation of thermal and electrical conductivity of MnTiO₃" is a bonafide work carried out by Ms Shreesha Harichandra Khandeparkar under my supervision in partial fulfilment of the requirements for the award of the degree of Masters in the Physical Chemistry at the School of Chemical Science, Goa University.
