

**Synthesis and characterization of transition metal based coordination
polymers**

A dissertation for

Course code and course title: CHC-651 discipline specific dissertation

Credits- 16

Submitted in the partial fulfillment of

M.sc. in Inorganic chemistry

By

SONAL SANTOSH JAISWAL

22P04900778

Under the supervision of

PROF. SUNDER N. DHURI

School of chemical sciences

Inorganic chemistry

GOA UNIVERSITY

DECLARATION BY STUDENT

I hereby declare that the data presented in this Dissertation report entitled, "Synthesis and characterization of transition metal based coordination polymers is based on the results of investigations carried out by me in the Inorganic chemistry at the school of chemical sciences, Goa University/College under the Supervision of Prof. Sunder N. Dhuri and the same has not been submitted elsewhere for the award of a degree or diploma by me. Further, I understand that Goa University or its authorities will be not be responsible for the correctness of observations / experimental or other findings given the dissertation.

I hereby authorize the University/college authorities to upload this dissertation on the dissertation repository or anywhere else as the UGC regulations demand and make it available to any one as needed.
