DECLARATION BY STUDENT

I hereby declare that the data presented in this Dissertation report entitled, "Visible light mediated one step oxidation-esterification reaction using organic dyes" is based on the results of investigations, carried out by me in the Organic Chemistry at the School of Chemical Sciences under the Supervision of Dr. Sandesh T. Bugde and the same has not been submitted elsewhere for the award of a degree or diploma by me. Further, I understand that Goa University or its authorities / College will be not be responsible for the correctness of observations / experimental or other findings given the dissertation.

I hereby authorize the University/college authorities to upload this dissertation on the dissertation repository or anywhere else as the UGC regulations demand and make it available to any one as needed.

COMPLETION CERTIFICATE

This is to certify that the dissertation report "Visible light mediated one step oxidation - esterification reaction using organic dyes" is a bonafide work carried out by Ms. Vaishnavi Vithal Gawas under my supervision in partial fulfilment of the requirements for the award of the degree of Masters of Science in Chemistry in the organic chemistry at the School of Chemical Sciences, Goa University.

Dr. Sandesh T. Bugde
