INTERNSHIP CERTIFICATE

This is to certify that Mr. Md Adnan, Student of School of Biological Sciences and Biotechnology, Goa University, undergoing Masters in Sciences in Marine Biotechnology has successfully completed his Internship between 14-05-2023 to 14-06-2023 at First Point Diagnostic Centre, Ranchi.

He actively participated in the activities during the period of internship and learned the skills needed for various activities in Techniques, Tests and Instruments used in Microbiology and Molecular Biology Lab.

During his tenure of Internship he was very much sincere and devoted. I wish him success in his future.

Place: RANCHI
Date: 15/06/2023
