**To Whom so ever it may concern**

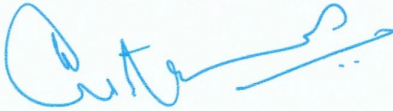

This is to certify that Mr. Arifulhaq Poya , a student of Master of Business Administration from Goa Business School , worked under my supervision during his internship period from 01.02.2021 to 31.05.2021 at Global Footprint Advisory.

I am pleased to state that during his internship period he worked hard and studied various aspects of my business and submitted the detailed report. The information and findings presented in the report seems to be well researched.

In addition to the above he is permitted to make the presentation of the report either in public or in camera.

I wish him every success in life.

**For Global Footprint Advisory.**
