#### ACKNOWLEDGMENT

I would like to thank all my professors, specially Sir KGS Shankar Narayan, Ma'am Albino, Sir Kevin, Sir Edgar & Ma'am Poonam for giving us this opportunity to undergo an internship which helped me to enhance my skills as well as learn new skills , over the internship period of 6 months . I would also like to thank the HR Manager of Mercedes Anisha ,as well as the HR Manager of Tangentia Mamatha for giving me the opportunity to intern & be a part of the esteemed organization. I will be carrying forward the skills & experience that I gained at these 2 organizations & will use it to my benefit . It was a pleasure working closely with both the organizations & it helped me understand the business world even more clearer' .

## Mercedes-Benz

Avril Rodrigues IMBA, 5<sup>th</sup> Year 1733 Mercedes-Benz , that is commonly referred to as Mercedes, is a German luxury automotive brand. Both Mercedes-Benz as well as Mercedes-Benz AG (a Mercedes-Benz Group subsidiary established in 2019) are headquartered in Stuttgart, Baden-Württemberg, Germany & they have their offices spread across 93 different locations worldwide. Mercedes-Benz produces consumer luxury vehicles and commercial vehicles. Its first Mercedes-Benz-badged vehicles were produced in 1926. In 2018, Mercedes-Benz was the largest seller of premium vehicles in the world, having sold 2.31 million passenger cars. Mercedes-Benz traces its origins to Karl Benz's creation of the first internal combustion engine in a car, seen in the Benz Patent Motorwagen, financed by Bertha Benz's dowry and patented in January 1886 and Gottlieb Daimler and their engineer Wilhelm Maybach's conversion of a stagecoach, with the addition of a petrol engine.

The company's origins lie in Daimler-Motoren-Gesellschaft's 1901 Mercedes and Karl Benz's 1886 Benz Patent-Motorwagen, which is widely regarded as the first internal combustion engine in a selfpropelled automobile. The slogan for the brand is "the best or nothing". Mercedes-Benz star's 3 points represent the company's drive for universal motorization -- The points represent land, sea, and air. The Mercedes-Benz name is a combination of two names: Mercedes Jellinek and Karl Benz. Originally, Mercedes-Benz was founded by Karl Benz and Gottlieb Wilhelm Daimler and was part of Daimler Motoren Gesellschaft, better known as DMG. The company was first known by the name Daimler-Benz, as an homage to the founders.

After Gottlieb Wilhelm Daimler passed away, entrepreneur and racing enthusiast Emil Jellinek was brought on by chief engineer Wilhelm Maybach. Emil went on to help create the Mercedes 35hp in 1900. Jellinek named the new cars after his daughter, Mercédès Jellinek, whose Spanish name translated to "mercy."

The company later went on to have the "Mercedes" name trademarked 1902.

While the company continued to trade as Daimler-Benz, the car line began to carry the Mercedes-Benz name.

Mercedes-Benz offers a versatile range of consumer-passenger, light commercial and heavy commercial equipment. These vehicles are manufactured in multiple countries worldwide. The Smart marque of city cars are also produced by Daimler AG.

#### Following are the various car models that Mercedes offers :

- A-Class Subcompact luxury Hatchback and Sedan

- EQS Luxury electric Sedan/Saloon
- EQV Luxury electric Multi Purpose Vehicle

ALCON is a Goa based group founded by Shri Anil Counto since 1971 with business interest in manufacturing , construction ,real estate, trading and logistics.

A little about the Founder, Mr. Anil Counto : When Anil Counto graduated as a Civil Engineer from VJTI Engineering College in Mumbai in 1966, he gained valuable experience working in private organizations for 4 years prior to joining the PWD as just another young man beginning his career. But the similarity ends right there. Because this young man had a vision and a mission to realize that vision. And he had the talent, willpower and the determination to succeed. Add to this courage, integrity, discipline and a rigorous work ethic and you have all the ingredients of success.

From a tiny engineering unit set up in 1971, Alcon now boasts 5 major business verticals, Construction, Hospitality, Manufacturing, Trading and Infrastructure/Logistics. Today his humble unit has grown into one of Goa's largest business conglomerates. And the man has become one of the most well known entrepreneurs in the State. The man: Anil Counto. And his Group: Alcon - Anil Counto Enterprises, the realisation of the indefatigable efforts of one man and his diversified interests in Social, cultural, education and economic field.

Following are a few awards won by Mr. Anil Counto :

- **"KD Naik Memorial Pride of Goa" award 2019** presented by Goa Chamber of Commerce and Industry on 30th April 2019.
- Business Goa Magazine conferred Anil Counto Alcon Enterprises -"Business Group of the year 2017"
- Saibaba Satkar, recognition from the Chief Minister of Goa for contribution to leading and organizing the Saibaba Mohotsav for two days on 13th and 14th October 2017 in Goa.
- Honored as "*Best Social Worker*" of Goa state by Government of Goa on Goa Liberation Day 19th December, 2014.

- National award for "*Outstanding Entrepreneur*" presented by COSIDIC Council of India assisted by EDC Limited in November 2014.
- Award for *First Generation Entrepreneur Industrialist* Awarded by All India Saraswat Cultural Organization (AISCO) in November 2014
- Recognition for *Outstanding Entrepreneurship* presented by the GOA
   STATE INDUSTRIES ASSOCIATION, 2010.
- Conferred the honorary *Commendador "Ordem do Mérito*" by the President of Republic of Portugal.
- *Udyog Ratan Award*, conferred by the Institute of Economic Studies during Rajiv Gandhi's Vision of Industrial India Seminar.
- *Rajiv Gandhi Excellence Award* 1993, conferred by the Shiromani Institute, New Delhi.

#### REAL ESTATE/CONSTRUCTION, HOSPITALITY, MANUFACTURING, TRADING & LOGISTICS.

- Their Real Estate / Construction Projects include :Sereno & Estrela II by Alcon

#### Under **<u>Real Estate / Construction</u>**, Alcon also has a Piling Division that

features the following :

- Construction of Piles
- Geo-technical soil investigation
- Preferred Soil Testing Agency for the PWD in Goa
- Provide highly accurate Soil Testing Reports
- All types of piling and soil testing jobs

#### Hospitality sector

Alcon owns the Hotel Grande Delmon, Ronil Beach Resort & the O'Coqueiro Restaurant.

#### Manufacturing sector

Alcon Group is into the manufacturing of Cement, Ready Mixed Concrete, Microfine Products, Microfine Classification systems, Ceramic souvenirs & artifacts, Industrial ultrasonic cleaning systems, Alccopave - (Green Building Centre) –This is an Initiative with ACC Ltd for a GREEN BUILDING CENTRE , they provide total walling, paving, building solutions manufactured using world class technology.

#### Trading sector

Alcon Mercedes-Benz is a division of Counto Metals and Mining Company Ltd, they own Hyundai Automobiles & they are also retailers of Bridgestone tyres.

#### Logistics,

They have Inland Logistics. Counto Metals and Mining Company Limited has two inland jetties on river Mandovi with facilities for loading and unloading of bulk and break bulk cargos.

I have undergone my internship in the Human Resource department at Alcon's Mercedes Benz, Counto Motors' dealership, that's located at Ribandar.

Organizational structure at Mercedes :

#### The tasks carried out by me at Mercedes were as follows :

- Filing of the documents

- Got an overview of how leaves are carried forward.

Eg:- PL (Paid leaves 18 (annual leaves given)

Previous leaves are 12, so for the year 2022, the PAID LEAVES will be calculated as follows :

12 (previous years leaves) + 18(annual Paid leaves given) = 30 leaves' for year 2022

& the same is done for SICK LEAVES,, casual leaves are not carried forward

The following sheet shows the balance of the employee leaves:

|                   |                |             |     |     | -     |      |     |      |           |        |     |       | Dat   | ance |      |
|-------------------|----------------|-------------|-----|-----|-------|------|-----|------|-----------|--------|-----|-------|-------|------|------|

-I was shown how to add in the "Three Ma ID" for each employee on the Mercedes software that's used for everything regarding employees. The software that Mercedes uses is called PIR (People In Retail)

(Three ma ID is the training Id that is given to each employee)

- I was shown how to update the reporting managers of the previously existing as well as the new employee's on the Greythr app/software. This is the software that is used by Alcon for the same purpose for which Mercedes uses the PIR software.

- I was made to create a new PIR for a newly joined employee by referring to her file.

Mercedes PIR software

This is how the Greythr homepage looks like from the Employer login :

Following are the steps for assigning a **Reporting Manager** to employees on the Greythr app/software:

Step1: Select the name of the employee under "employee &

select the name of the manager or the supervisor to whom that

employee will be reporting under "reports"

Step 2 : Click on "Assign Manager"

Step 3: Click on "confirm"

Images of the Mercedes After Sales Department (Service Centre)

- I filled in the bill details into the bill register.
- Extracting WLF( Labour Welfare Fund) from white collared employees & adding Rs10 ie. deducting Rs 10 from their (blue collared employees) gross salary
- I was given the task of updating the (PL) privilege leaves of the employees' (posting leave transactions)
- I was also given the task to check the internship register to check the absentees' of 2 interns who had previously interned at Mercedes for something in relation to their stipend

You have to fill in these details (the ones shown in the image below) while updating each employees' PL .. You have to select the "leave type - privilege", the "transaction type - lapsed", "From Date - 1 day of the year" "To date - was given to me by ma'am" & under "Days" you have to add in the number of PL's that the employee has left.

The details that are required to be filled are : Leave type, Transaction type, From & To date, From session (session 1 to session 1 means applying for half day in the first half of the day, session 1 to session 2 means applying leave for the entire day), No. Of days & Reason.

- I was shown how to file the Labour Welfare Returns (fund contribution).. LWF(Labour Welfare Funds)
- I made changes to the letter that is drafted for the Labour Welfare Returns. Had to add the total number of employees from July 2020 -Dec 2020. Labour Returns are filled half annually, from Jan - June & then from July - December. The returns are supposed to be filled latest by the 15 of the preceding month. Eg filing of returns of July 2021 - Dec 2021 has to be filed latest by the 15 of Jan 2022..

- I added the months, made changes to the amounts, the dates. For LWF Rs 10 is the employee contribution & Rs 30 is the employers contribution & this is only given to the employees who have their 'hands on' the product. In Mercedes, these employees would be the technicians ,since they are the ones who actually work on the cars
- I got an appointment letter ready for a new joinee. Had to edit details like her name, DOJ(Date Of Joining), department, salary (this information was given to me by the HR manager, title(ms,mrs,mr).
- Added leave balance for an employee on Greythr
- Changed an employees' previous designation(LEAD{HOD} After Sales)
   to the designation to which he has been promoted (CEO)
- Created a profile for a newly joined employee on PIR, GEMS(training software that's used by Mercedez Benz) & Greythr

The following form "A" is filled for filing the Labour welfare returns :

| -  | AS ON Dec  | ember 2021   | Month/ Year    | No. of Employees      | Employees<br>Contribution | Employer     |

This is how the employees' apply their leave :

- I added a new employee on Greythr app. (created a new profile for a new joinee) {This app is also a payroll app, hence an account has to be created there even for the Mercedes staff.}
- The following are the steps to add a new employee on Greythr :

| the com/ng app/employee/v2/admin/addemploye   | ee/v2/admin/addemployee/basi   | c-info  |  | 8 # A                          |

I was shown how to process the payroll ie.

- Go to 'payroll"
- Click on 'process payroll" & wait for it to get processed
- She asked me to make a note of the absentees of Jan 2022
- I added a deduction list to Greythr for the employees
- I created a new profile on GEMS(training software used by Mercedes)
   it called DAIMLER, for a new joinee
- I was shown how to add TDS (Tax Deduction) to the employees' gross salaries

All this is a part of the payroll process

I was shown how to process salaries:

**First** process the payroll, once that is completed, move to the next step i.e. Checking the attendance

**Second** have to check the attendance, who was absent on which day of the month, whether it is a leave without pay or whether they've applied for a leave etc.

Third you have to check whether there's any tax that has to be deducted from the employees & from which employees & how much.. (this information is given to the HR department by the Accounts department)

**Fourth** you have to check the OT (over time) register.. This is usually only for the drivers..

LOP has to be done if there are any absenteeism during that month

Once all this is done, go ahead & process the payroll.

This is what the Compensatory Off

register looks like :

I was shown & made to calculate the leaves to be encashed ( only paid leaves can be encashed)

- Leave encashment calculation :- Basic salary divided by 30 multiplied by the no. of leaves left.
- I was shown & asked to calculate the OT( Over Time) amount for drivers

Formula :

Basic /(divided) 30 – this gives you per day OT(x)

Per day OT(x) / 8 – this gives you per hour basic (y)

Per hour basic\*(multiplied by)2\*total OT hours done by each driver (got this info from the OT register) = **Total OT amount** 

 I also added the basic salary & HRA amount(which was given to me by the HR manager) to the new employees' profile that I created & I also added leaves to this profile.

Employee Assessment Requisition Format:

|                             | Assess                    | ment Requisition Format  |                     |                      |                  |

-I added leave balance for an employee on Greythr :

Go to 'leaves', then 'information', 'employee leave', 'post transaction' (select the type of leave), add in the 'from' date & 'to' date & save. After saving, process the payroll.

-Added leaves to a newly joined employee's profile on Greythr.

- I was also given a task to make dummy bills.

-I was shown how to & then made to calculate gratuity for the employees' whose list of names was handed over to me.

The following is the formula for calculating Gratuity:

No. of years of service completed in the organisation \* Basic salary \*15 / 26

- I was given the task of planning an employee engagement activity for all the employees. (I planned on having a quiz on Mercedes – a quiz of 3 rounds)

-I was shown how to & made to add incentives for all the employees on Greythr.

The process to add incentives is as follows : Go to Greythr (employer login), go to 'payroll', 'salary', 'calculation fields', 'other payment items', 'incentive payment', 'add row' & then add in the incentive amount.

-I had to distribute the performance appraisal form to the employees whose list of names was handed over to me. I also had to constantly follow up with them regarding the same.

{Performance appraisals are usually to monitor the employee's performance & to give them an increment based on their performance.}

-For the Performance Appraisal process,:

i) Must ask the employees to fill in their details in part 'A'.

ii)Part 'B' of the appraisal form is filled in by their supervisors, who they report to. They mark them based on their performance.

iii)Part 'C' of the appraisal form is filled in by the CEO, alongside the HR manager.

Images of the Performance Appraisal form :

Part B

-I was made to give a hard copy of the job description to 2 newly joined employees & had to get their signature on the photocopy of the same, which is kept as the Mercedes records.

- I had to file POSH returns, i.e. It is with regards to the sexual harassment of women. These returns have to be filled before the 31 of Jan.

- I was made to check the birthday list.

To do so, Go to 'reports', then click on the icon that looks like a clock, 'query builder' & select 'birthday' & the birthday list will appear.

-I was observing how the 'Labour returns' are filed on the Goa Online Portal & also how the 'Bonus Act' & the 'Wages Act' are filed.

-I prepared an experience certificate for the previous CEO.

-I had to fill in details on the performance appraisal form for the workmen. Details such as the employee name, code, designation, department date of joining & the date of review.

Image of the Performance Appraisal form for

Workmen:

-I was made to call up a few hotels to ask about their room tariff (this was because some high profile people from Mercedes were coming to Goa & the arrangements for their accommodation had to be taken care of.)

-I called up a couple of recruiting agencies in Kolhapur asking them to send us suitable CV's of candidates for the post of Diagnostic technicians. (the HR manager & CEO were supposed to go to Kolhapur to conduct interviews, hence I had to do so)

-I entered the Performance Appraisal data (score) of the employees onto the system.

-I marked an Employee Exit on Greythr

The steps are : Go to 'Employee', 'information', 'separation; & then type the employees name, then under 'separation mode' ,select 'resigned' & then refer to the respective employees file to add in the rest of the details. Once done, tick the 'employee existed the organisation' & once done, select process payroll .

-I was made to check the attendance.

To check attendance : go to 'Leave', 'information', attendance muster' & select the month of the attendance we want to check.

-I was made to calculate OT(over time) hours for the drivers.

-I added the OT hours to the employees gross.

Steps to do so : Go to 'payroll', 'payroll inputs', 'salary', type in the employees name, scroll down, under 'employee workdays' select 'OT hours', under 'accounts', add the total no. of OT hours of the respective employees & 'save'.

-Added TDS (Tax Deductions List) to the employees gross salaries.

-Made changes to the LWF amount of certain employees (had to make the amount 0 as the amount would simply get deducted from their salary)

-prepared an offer letter

- Got details for the productivity report in PIR (had to check the number of cars sold for the previous month with the sales team)

- I was given the responsibility to ensure that all the employees whose names were on the list came & got their measurements taken for their uniforms. Had to take their signature on the given list.

-I was made to re-generate the password of Greythr for an employee.

Steps to go about with that : Go to "home", click on "search actions", click on "regenerate password", type in the employees name & then click on "generate mail".

Steps to go about with it : Go to "Reports", click on "reports gallery", select "payroll transfer statement", then under "group by", select "company", click on "payment type", select "cheque" & then click on "generate"

-I had to put the stationary that was ordered in place.

-Updated employee address' on Greythr.

-I handed over appointment letters to the respective employees.

-I had to check from how many employees' salaries was LWF deducted.

-I generated the PF ECR file.

Steps to go about with it : Go to "reports", "reports gallery", under "PF – Provident Fund", select "PF-ECR Format",then select the month for which you want to generate the file, once done, click on "Generate ECR file" & the excel file gets downloaded.

-I filed the PF Returns.

Steps to go about with it : Type in "EPFO employer login" on the Google search engine, login, go to "payments" & select the first option that comes under it & then add in the details , select "ECR" & upload the ECR (that was previously downloaded), save it, then add in the other details & then click on "verify", once its done, click on "Generate"

-PF returns are to be filed before the 15 of the preceding month

-Segregated the Performance Evaluated forms – segregated the ones that were evaluated from the ones that were yet to be evaluated.

-I also learnt how to open job cards, to re-open as well as how to close the job cards (this wasn't a part of HR, but took it up since I would learn something new)

#### Image of the Welcome Letter given to newly joined employees:

#### ALCON GROUP Welcome Letter

Dear Colleague,

Welcome to ALCON!

It is with great pleasure that we welcome you to the ALCON family. We are very excited to have you on board with us.

ALCON Group corporate structure is a mix centralised and individual business type drawing synergies across the group. Our business units and corporate support functions all work together to produce good results for the entire ALCON Group.

We have a long - standing heritage of commitment to excellence, leadership and innovation. These are attributes that have served us well for more then 40 years of our growth, and they will continue to serve us in the future.

Every persons job is important, not only to their own success, but also to the success of every other person at ALCON. We believe that success for both the employee and company is determined by employees ability to produce quality products and service very efficiently

The higher the quality and the more efficiently products and service are delivered, higher the benefits for the company and for all its personnel. We urge all employees to look at their jobs objectively for opportunities to save work , cut out unwanted practices and improve quality. We welcome employee suggestions for improvement , wherever it may be.

We believe in the mantra for all our businesses, "if you can do it, then I can do it too; and I can do it better!" The combination of continuing innovations, quality products and a strong corporate family structure, coupled with ALCON's outstanding peoples, holds the promise of bright future for ALCON Enterprise!

I wish you good luck as you begin a new chapter in your professional career, and hope that our organisation adds much value to you as you contribute to the success of the company.

We look forward to working with you.

Best Regards,

Tangentia is an agile digital transformation company/ IT company & a worldleading provider transformation solutions. Tangentia was founded in the year 2003 by Mr. Vijay Thomas in Toronto, Canada. Mr Vijay Thomas is also the founder & CEO of Tangentia Ventures, that invests in early stage companies in global technology services, which makes local manufacturing & niche ecommerce services in Canada & India. As of now, Canada has around 9 offices in 3 different countries ie. Canada, USA & in India & they are planning on expanding even more across globally. The company name in Canada is Tangentia Inc, the company name in US is Tangentia America LLC, the company name in Goa is Tangentia India Technologies Private. Limited & the company name in Kerala is Tangentia Travancore Private Limited. Tangentia has a headcount of over 300 employees & has over 18+ years of experience. Tangentia is a platinum partner of IBM(International Business Machines Corporations) & they have also partnered with other well-known companies like Google AI, Microsoft & other such companies. Tangentia is a leading boutique consulting, technology & an outsourcing firm that bridges the most challenging technology gaps. The 3 major departments of Tangentia are : Automation, B2B Connectivity & Digital.

## Tangentia's Core Vaules :

Tangentia's Mission Statement:

## We imagine a prosperous world, seamlessly interconnected & efficiently run by the optimal use of technology and human resources sourced globally.

Tangentia's Vision :

| Shareholder   | Employee  | Customer  | Partner  | Global Citizenship  |
|---|---|---|--|---|
| Perspective   | Perspective   | Perspective   | Perspective  | Perspective   |
| <ul> <li>To be among the<br/>top 10 Boutique<br/>IT consulting<br/>companies in the<br/>markets we<br/>operate in.</li> </ul> | <ul> <li>To be among the<br/>top 10 preferred<br/>employers in the<br/>IT consulting<br/>business in the<br/>markets we<br/>operate in</li> </ul> | • To be among the<br>top 5 Boutique<br>IT consulting<br>companies in<br>terms of<br>customer<br>retention and<br>customer<br>satisfaction | • To be among the<br>top 5 preferred<br>partners for<br>each of our<br>partner<br>companies in the<br>markets we<br>operate in | To spend 10% of<br>net profits every<br>to provide micro<br>credit facilities<br>in less-<br>developed parts<br>of the world to<br>entrepreneurs. |

A bit about the practices at Tangentia, Under:

## Automation :

- -Artificial Intelligence
- -Robotic Process Automation (RPA)

-Process Mining

## **B2B Connectivity :**

-EDI/Order Management -eCommerce (B2B/B2C) -Supply Chain

## Digital :

-Agile Application Development

-Product Engineering

-Offshore Development Centre

The RPA technologies/tools used at Tangentia are :Ui Path, Blue Prism, Automation Anywhere & Block chain.

The work methodology used by Tangentia is the Agile method, where the main task is split into two sub-tasks, which means that once part A of the sub-tasks is completed, the employee gets it checked by the reporting manager to check whether there are any changes required to be made to it, rather than completing the entire task & then getting it checked.

The job portal Reliance Strength, is managed by Tangentia. Tangentia also maintains & is partnered with the LCBO(Liquor Board of Ontario).

#### Tangentia's Awards & Recognitions :

Tangentia is Certified by Great Place to Work & they also have the ISO Certification.

Reporting Structure of the HR department :

## The tasks carried out by me at Tangentia were as follows :

I was doing 70% of Recruitment & 30% Operations.

The first thing that I was made to do was to search resumes on "naukri.com"
& "x-ray search" for the position of a Python Developer.
I collected employees data for their id cards
I sent mails to the candidates asking them for their details.
We send them a mail which includes the job description, a little about the company & we ask the candidate to send the following details if they're interested in taking up the particular position. :

Full Legal name:

Phone number:

Email address:

Location (City and State):

Availability to start:

LinkedIn Account:

Current CTC:

Expected CTC:

Time Slots for phone conversation:

Time Slots for WebEx/video interview:

Night Shift Yes/No:

Do you have your own laptop and proper Internet connection? :

How will you travel to the office? Own/Public Transport:

-When any candidate would give their **Expected CTC** amount to be more than what we can offer them, I would send them a mail saying that their salary expectations are exceeding our budget.

-I was given the task of handling an employee engagement activity called "Talk Tales" that would happen every day for 15 mins. This was a casual conversation between an employee & one of the HR team members where we would ask the candidate about how his work is going, we would ask the employees for any suggestions that they have for us, whether he/she has any problem with anyone in the team & other such questions. There was a Google sheet created in which the names of the employees & the HR team members were there, so I had to schedule calls for every employee, 1 employee per day. I had to check with the employees during what time in the second half they would have a 15 mins free time slot so that I could schedule their Talk Tales call. This call was scheduled on Google meet & it would usually be scheduled during the second half i.e. In the evening as everyone works in different shifts at Tangentia. So I had to make sure that the call would happen, I had to give reminders to the HR team member who would conduct the call on that day & would also remind the employee whose call was scheduled on that day. I also had to make sure that the HR team member would put down their remarks on the "Talk Tales" Google sheet that was created. So their remarks would include any suggestions the employee has made during the call, whether he/she had any concerns, whether they had any requests etc.

Below is an image of the "Talk Tales" Google sheet that was maintained.

| 1 |                 | ,         | , TANGENTIA TALK TALES |                  |                            |       |  |
|---|-----------------|-----------|------------------------|------------------|----------------------------|-------|--|
| 2 | Date            | Days      | Name                   | Employee Name    | Session                    | Shift | Remark   |
| 3 | 25th April 2022 | Monday    | Katie                  | Sachita Desouza  | Scheduled @ 4:00pm -4:15pm |       | Sachita joined on 18/04/2021. She is happy that she joined Tangentia. Overall she is happy<br>working here & has no suggestion for us. |
| 4 | 26th April 2022 | Tuesday   | Jake                   | Patrick Peterson | Scheduled @7:30pm-7:45pm   |       | Happy working at Tangentia He's enjoying working with his team mates   |
| 5 | 27th April 2022 | Wednesday | Tessa                  | Luke Collins     | Scheduled @10:00pm-10:15pm |       | Has recently joined Tangentia, likes the work environment. Happy working at Tangentia, no<br>concerns till now.                        |

-I used to source for candidates on LinkedIn for the open positions that we had.

-Sent a connect request to many on LinkedIn with regards to the open position that we had. I would attach a note telling them the position & the location for the open position & would provide them my official email id & would ask them to get in touch with us via mail.

-I called many people asking them whether they were interested in the various open positions that we had (if I called them for the Python Developers role, would check with them for that role only).

If those candidates would be interested, I would send them the job description of the respective positions.

-I was given training on how to conduct the induction for new joiners" & I conducted the inductions' for new joiner's who joined as trainees.

-I helped the new joiners" to fill in the "induction new joiner form", helped them to set their signature.

-I used to set up the calls on Google meet that were requested to me to do so by the HR Manager.

- With regards to the recruitments process, we used to go about with it in the following process:

1. First we used to call the candidates, check their communication skills, gauge if they would be suitable for the respective position.

2. We used to get their details (I've already mentioned above what are the details that we would get from them).

3. I used to then send those details to the HR team via mail, this is called a submittal.

4. The HR Executive would then forward those details as well as the resumes of the those candidates to the managers/heads of the respective departments.

5. Once the manager/heads would give a go ahead, I would schedule an interview on Google meet with the respective candidate & the manager/head of that particular department.

6. To schedule the interview, I had to first check the availability of the respective manager/head to schedule the interview with him/her, I then had to call up the candidate & check with them whether the given time would be okay with them for me to schedule an interview with them. Sometimes some candidates were not available at the time that I would mention to them & so I would have to check again for another free time slot with the interview for me to schedule the interview.

There would be 2-3 rounds of the interview.

The first round would be by the HR, so after I would speak to the candidate, my reporting manager would call them & speak to them, after that we would schedule an interview with the department team lead or manager & if it was a positive response from him/her, the second round of the interview would be scheduled with the head of the respective department. Once the candidate would clear that round of the interview, we would send him/her a **documents required** mail, where we would ask them for an id proof, graduation certificate & other such documents.

-I also had to reply to the candidates mails, the ones to whom we would send a rejection mail saying that we couldn't go ahead with them for so & so reason.

Below is an image of the rejection email I would send to the candidate, with the mails' subject being : Tangentia India – Interview update

We would like to convey to you that, we are unable to consider your profile for the role of " Technical Support Trainee" as the skills do not match.

We shall keep your resume in our database in case any opportunity comes up in the future.

In case you don't hear from us, please visit the career section on our website (<u>www.tangentia.com</u>), scan the job posting and submit your updated profile against any job opening posted there, which you find is a right fit for your profile.

Regards, Avril Rodrigues HR Intern 976, Kranti Nagar, Alto Porvorim 403 521 P: +91 9284133952 E: avrodrigues@tangentia.com

-I was shown how to go about with the onboarding process, just so that I could have a fair idea of how its done.

- I was given the responsibility of posting birthday wishes on Greythr.

I used to post pictures similar to the below one on Greythr wishing the employees on their birthday's.

-I was also responsible for handling the Tangentia Career Pages, ie. Tangentia's official Facebook page, Tangentia's career page, LinkedIn account & their Instagram page.

So I would post out the opening's that we have, the employee engagement activities that we had, pictures of the campus placement (if we had any in that month), I would post employee testimonials{for that had to follow up with the employees constantly to get them to send the testimonial, I also had to assist them with the same, had to also send it to the creatives team to make the testimonial creative}, posted pictures of the newly joined employees welcoming them to the team, & other such pictures.

Below are some of the pictures I've posted :

### Job Openings :

#### Welcoming the newly joined employees to the team :

### **Employee Testimonials :**

### **Campus Placement :**

-I was a part of the Campus Placement Drive that was held in Saraswat Vidyalaya college, Mapusa on the 18<sup>th</sup> of June.

-I would also post the job vacancies on the job portal like naukri.com.

-A video of Vijay(the CEO) introducing the newly joined employees was required from the marketing team, that responsibility was given to me.

-Sent a "welcome to the team" email to a newly joined employee (this is a part of the onboarding process)

-I explained appointment letters to the employees, explained them the entire letter, from the leaves, to their salary structure including the bonus part.

-I also had to set up induction calls for the newly joined employees' as well as be a part of that call.

-Was a part of the HR Daily Stand up call – its a call that would happen at the beginning of our shift on a daily basis, letting us know the tasks for the day, to check the status recruitment & discuss other such topics.

-Was also a part of the HR, Admin & legal call where the work that was completed during the week by these departments would be discussed as well as the tasks that would be done in the following work were discussed. This call would happen every Friday.

- There was another employee engagement activity that I used to handle. It was called "Cutting Chai with Vijay". So I used to set up this call, for that, first

I had to check Vijay's availability with his PA, & then I would check with those 6-8 employees who I decided to schedule the call for, whether they would be available at the scheduled time, then only I would set up the call.

On the day the call was scheduled, <sup>1</sup>/<sub>2</sub> an hour prior to the call, I would have to give all the participants a reminder to attend the call & it was a video call. Vijay also had to be given a reminder. When there were last minute drop-outs due to a sudden client call being scheduled, I would have to put another employee in place of the one who backed out last minute, would have to first check with the other employee whether he would be available at the scheduled time.

So this call was an informal call, where Vijay would have a casual conversation with the employees. He would ask the employees to introduce themselves, he would ask them to tell us something that the others dint know (like maybe a talent that the other's dint know he/she had) etc. Every participant also had the opportunity to ask Vijay a question of their choice. I used to be a part of that call as well. Once the call was done, I would have to take a screenshot & upload it on Greythr.

Below is a picture of the "Cutting Chai with Vijay" session.

-I would reply to the queries that the employees had regarding anything that had to do with the HR, like questions regarding registration of the toastmasters call, queries regarding when will their laptops that were to sent to them would reach to them & other such queries.

- Was responsible for scheduling the Toastmasters call. Had to schedule the call & inform the participants about it & had to give them a reminder about the same 1 hour prior to the call. Toastmasters is a call that any employee could e4nroll themselves to improve their leadership skills, the toastmasters session would help them to be able to help them to overcome that fear of public speaking, it would also help introverts become extroverts in a certain period of time.

-I would also post the vacancies on Tangentia's Careers page ie. **Tangentia Careers.** 

- I prepared offer letters, experience certificates as well as relieving letters.

- Made changes to the incentive letter of an employee (the bonus part).

-I was made to put in some employee details on greythr, also uploaded employee documents like aadhar card & pan card copy on their greythr account.

-I created separate folders for each employee on google drive & also uploaded their documents in their respective folders.

I was given the responsibility to post whichever employee was on leave on the "Tangentia Intimation" group on whatsapp as well as on "Microsoft teams"
Had to type the employee name & the type of leave they've taken.

- I created an employee's profile on Greythr.

-I was made to edit a couple of letters.

-I was a part of a "performance review call" just so that I could get a fair idea of how its conducted.

-I scheduled performance evaluation calls for the entire B2B team & I had to make sure that everyone was in the call & once the call was done, I had to make sure that the employee would send me the completely filled KRA (Key Responsibility Area's) sheet, which I would then forward to the HR team.

- Was given the task off changing the footers of a couple of important documents.

-Had to call a employee who had recently resigned to remind her to sign the exit form.

- I had to schedule the "agile training" session . (It is a training that is given to the employees which gives them a gist of a little about how they could go about with their tasks in a more efficient manner). I also had to mark the attendance for the sessions' that I had scheduled.

-Had to follow up with an employee, asking her to send us her "Tangentia Talkies" presentation. Tangentia Talkies is yet another employee engagement activity that is scheduled every Tuesday's & Friday's . Its a session where each employee (one employee per session) tells the other employees about themselves, like their hobbies, their family & other related information.

-I also had to fill up my timesheet everyday ,just like the other employees.

Timesheet is a software in which you add in the tasks that you carry out & how much time you put in for working on each task. It is to be filled for the current week as well as the upcoming week.

-I was made to put in the count of data (no. of employees in different departments & their designations)

-I was made to prepare the shift roster for certain employees for the preceding month. I used to then upload the roster on Greythr.

-I prepared loan agreements, loan guarantor letters .

-I sent out feedback forms to the participants of the agile training sessions', also had to make sure I got a response from every participant.

-Sent the FOHO coins mail to the employees whose referrals were converted to full time employees & had to guide them if they had any issues regarding the same.

-I was a part of the posh awareness session that was scheduled for the employees.

-I was made to put down the information of the projects on which the interns had worked on during their internship at Tangentia on an excel sheet.

-I was made to prepare 2 sets of questionnaire's for the Campus Placement drive that was held at Saraswat college.

-The following is an image of what an employee Greythr profile looks like :

| 4     | Tangentia.               |   | Home              |                                      |  |                                       |                 |  | Quick Links 👻 🖞 |

-I was given the responsibility to add & remove newly joined & exited employees from the official Tangentia whatsapp group.

-I uploaded the job descriptions of all the positions on the Google drive into the "HR documents" folder.

-I had to grant leaves to employees on Greythr (from the employer {company} login)

-I distributed id cards to the employees.

-I sent a documents required mail.

-I had to rename over 100 files , they were the form 16 files, I had to rename all those files, changing the file name to the name of the respective employee.

After renaming all those files, I had to upload each file on Greythr to each employees' profile.

The following is a picture of how I would name the form 16 file & upload it on each employees' Greythr profile.

| Employee      |   |
|---------------|---|
| Document Name | Form 16   |
| Category      | Accounts & Statutory *  |
| Description   | 2022-2023   |
|               |   |
| File          | Oupload File<br>Note: Only PDF, XLS, XLSX, DOC, DOCX, TXT, PPT, PPTX, GIF, JPG, PNG files are accepted. |
|               | Publish to Employee Portal  |

-I sent a "challenge code" email to two of my candidates , which was for the position of a iOS developer. This mail was a part of the interview assessment.

-I was given the responsibility to ensure that all the employees upload their AIM picture on Microsoft teams as well as on outlook. I also had to make sure that they all have set up their signature on Microsoft outlook. I had to guide them if they had any issues while doing any of the above mentioned tasks.

Below is my AIM picture :

-Below is a picture of the HR Team at Tangentia.

(The Culture & training manager was working from home on that day, the HR Assistant General Manager works from the Kerala office & the HR General Manager works from Canada, hence they all unfortunately are not a part of the picture.

-I had to send the creative's team a video testimonial of an employee for the team to beautify it as it had to be posted on the careers page.

-I had to prepare a Microsoft form (it was a MCQ questionnaire) for the upcoming campus placement at Goa Engineering College.

-Had to add in the TG numbers' (employee numbers') of all the employees working from the Goa office on an excel sheet.

- Below is my Tangentia email account's signature when I was working there.

Avril Rodrigues HR Intern 976, Kranti Nagar, Alto Porvorim 403 521 P: +91 9284133952 E: avrodrigues@tangentia.com
