**ACTION TAKEN REPORT ON STUDENT'S FEEDBACK FOR A.Y. 2022-2023**

The action plan was decided and passed by the DFC members in the DFC meeting held on 11/08/2023. The following observations have been made based on the student's feedback:

1. The MBA faculty members checked the sample of feedback results received from IQAC and noticed that only a few students particularly from batch 2021-23 have filled out the feedback form for the A.Y. 2022-23. Based on this, it was decided to encourage the students to fill out such forms without fail in the A.Y. 2023-24.
2. Moreover, the feedback received for each course has been shared with all the faculty members to check the same and take the necessary action wherever required.
