B.Voc in Electronics, Instrumentation and Computer Networking

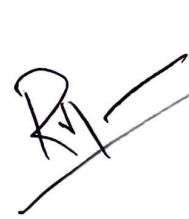

Report on “30-Hour Certification course on Computer Networking”

1. Title of the event	30-Hour Certificate course on Computer Networking
2. Date and time	1 st and 2 nd February 2024: 6 to 8:30 pm 5 th to 7 th February 2024 9:am to 5:30pm
3. Mode	Hybrid
4. Department/School/Directorate/ Section	University Science and Instrumentation Centre School of Physical and Applied Sciences In association with D-Link India Ltd. And Internal Quality Assurance Cell (IQAC), Goa University
5. Participants (Total)	70
6. Participants (Goa University)	Faculty: 16, Students: 43 , Others:10
7. Participants (External)	Students: 1
8. Resource Person/s	Mr. Heramb Kanekar: (Sr. Engineer - L3 Support), D-Link India Ltd., Verna Mr. Swapnesh Verlekar: (Manager -L3 Support), D-Link India Ltd., Verna Mr. Aditya Velingkar: (Manager - Solutions Support), D-Link India Ltd., Verna Mr. Shriyesh Bhagat: (Sr. Engineer - L3 Support & Product Engineering) D-Link India Ltd., Verna
9. Faculty attended	16
10. Students attended	44

11. The objectives / description of the activity (50 words)	University Science and Instrumentation Centre, SPAS, is organizing a comprehensive 30-hour certification course on Computer Networking at Goa University. This course was conducted in association with D-Link India Ltd. The course aims to provide participants with in-depth knowledge and practical skills in the field of computer networking. Through interactive sessions, hands-on activities, and industry insights provided by D-Link India Ltd., participants gained valuable expertise in the latest networking technologies and solutions.

About the University

Goa University was established under the Goa University Act of 1984 (Act No. 7 of 1984) and commenced operations on 1 June 1985. The University took over the enhanced role of Centre of Post-Graduate Instruction and Research (CPIR) which was set after the liberation of Goa by India in December 1961, by the University of Bombay (now Mumbai), in June 1962. Since 1985 Goa University offers graduate and post-graduate studies and research programmes. It is currently (2014-19) accredited to the National Assessment and Accreditation Council (NAAC) in India. The National Institutional Ranking Framework (NIRF) has currently (2023) ranked the University at Rank-band 101-150. QS University rankings - a World University rankings agency - has been ranked Goa University at 601-650 rank band in QS Asia Ranking 2024 based on the data submission of AY 2021-22. While in Southern Asia, Goa University is ranked at 189 by QS ranking. Goa University has been rated as "Very High" in Research output. Goa University performed among the Top 73 % in the QS Asia University rankings. The Overall Rank of Goa University in India is 94.

About the Department

University Science Instrumentation Centre (USIC) is a central instrumentation facility of the university consisting of Electronics, Mechanical and Glass Blowing workshops managed by faculties, officers and trained technicians. The work undertaken by USIC can be broadly classified as Analytical services for sophisticated instruments, Maintenance of equipment of Language and Science Laboratory, Fabrication of teaching aids, Development of new instruments. The centre also offers UGC approved B.VOC program in Electronics, Instrumentation and Computer Networking, to provide skill based education under National Skill Qualifications Framework (NSQF).
