Mentoring Report 2022-2023

I have allocated 16 mentees for the mentoring program from the academic year 2022-23. Following the counselling session, Most of the mentees struggling with issues related to their personality developments like Stage fear, Lack of Confidence for comparing the events and shy to publish their literature, Lack of organization when preparing for competitive exams like NET, Additionally I have noticed some personal problems, their financial difficulties and health issues.

Some of the Issue resolved after encouraging them to do the day-to-day 'to do checklist' which *has been divided into a weekly schedule for studding, along with assignments with due dates and* for competitive exams-NET. I have advised them to put down or keep their phones away while studding to help them focused. Read or listen motivation, Humours books or speeches for the positive vibes. Also encouraged them to Meditate and Yoga for their health.
