Q1a: 1.5  
Q2a: 1.0

Q4. 1  
Ans- (a) Development can be achieved by taking action and changes towards the ~~medium~~ ~~poverty~~, we have heard - Gender equality, poverty, development of rural areas, Casteism, etc. It can be solved by the development. And development can be achieved by communication, education and action.

Development of the country is in the hand of government and the people of the country.

Media is the platform through which information and education to masses can be easily reach.

Mass media plays important role in development communication because without communication, it is impossible to circulate message and education.
