Quartile for the journal is identified from [Scimago Journal Rank](#) and [Scopus Sources \(percentile column\)](#).

Key: '1' for First author, 'n' for Nth author in Author level; 'y' if Corresponding author; '2y' in case of multiple Corresponding author

*Rs.1000/point.

The incentive earning data is added once the paper is in the repository. Points utilized are populated only after hearing from FA.
