DEPARTMENT OF BIOTECHNOLOGY

31/12/2021

Offer of appointment for the post of JRF/Project Associate I for the DBT sponsored project "Bioprospecting for active oligosaccharides produced from marine polysaccharides by bacterial CAZymes"

With reference to your application and subsequent interview on 29-11-2021, the competent authorities have approved your selection for the post of JRF/Project Associate I for the DBT sponsored project "Bioprospecting for active oligosaccharides produced from marine polysaccharides by bacterial CAZymes".

The appointment is purely temporary and co-terminus with the project tenure. The appointment is governed by the terms and conditions of the project and is subjected to termination with one month's notice.

The monthly emoluments will be paid as per the Office memorandum (SR/S9/Z-05/2019; dated 10-6-2021) as per your qualification.

A letter of acceptance of the above offer may be sent within three days of receiving the offer letter.

**Subject: Acceptance letter for the junior research fellow position**

Respected Sir,

With reference to your letter dated 31/12/21 regarding the junior research fellow position, I would like thank you for offering me the said position.

I gladly accept the JRF position for the project titled "Bioprospecting for active oligosaccharides produced from marine polysaccharides by bacterial CAZymes". I am looking forward to join the project from 12<sup>th</sup> January, 2022.

Thanking you,

Yours sincerely,

Miss. Devika R Jadhav
