The workshop was meant for exposing the faculty members of Goa University to visualize innovation and entrepreneurship as career opportunities. This is to strengthen the creativity, critical thinking, innovation and entrepreneurship ecosystem in the Goa University. Participants learned about the various types of activities being conducted by the IIC through out the year. Further, participants were exposed to NISP for supporting innovation and entrepreneurship as career opportunities. Participants were exposed to YUKTI 2.0, its requirement and role as innovation repository for taking up innovation and entrepreneurship as career.
