10. The objectives of the Program	To enhance students' understanding of financial stability concepts, including risks and resilience within the financial system, as highlighted in the 28th Financial Stability Report (FSR).
11. Description of the	Kaya Tripathi presented a report highlighting that the global

<b>Program</b>	<p>economy is currently confronting several significant challenges, including the likelihood of slowing growth, elevated levels of public debt, rising economic fragmentation, and ongoing geopolitical conflicts.</p> <p>Rakesh Kumar discussed how the Indian economy and the domestic financial system continue to demonstrate resilience, bolstered by robust macroeconomic fundamentals, sound balance sheets of financial institutions, moderating inflation rates, an improving external sector position, and ongoing fiscal consolidation.</p> <p>Prem Mohan emphasized the improved resilience of the non-banking financial companies (NBFCs) sector, noting that these institutions have strengthened financial health and stability.</p>
<b>12. Benefit/Key outcomes of the Program</b>	<p>The seminar provided a comprehensive overview of the current state of the Indian economy and its financial system, emphasizing resilience in the face of global challenges. Participants gained insights into the key indicators of financial stability, including the performance of scheduled commercial banks and non-banking financial companies.</p>
<b>13. Enclosures with report</b>	<p>Brochure, Geo-tag photos, Attendance of students/faculty/external participants.</p>
