

Title of the event	Webinar series on “Advances in Condensed Matter Physics and Material Science”
Date and time	29-09-2021 to 30-09-2021
Mode	Online
Department/School/Directorate/Section	School of Physical and Applied Sciences
Participants (Total)	107
Participants (Goa University)	Faculty: 11, Students: 25, Others:0
Participants (External)	Faculty: 25, Students: 46, Others: 0
Resource Person/s	17
Faculty attended	36
Students attended	71
The objectives / description of the activity (50 words)	The webinar series is expected to be a platform for young researchers to hear from experts in various research domains of condensed matter physics and to widen their knowledge in the latest research advancements. This will also serve as an opportunity for exploring new collaborations.
Benefit/Key outcome of the event in terms of learning/skills/knowledge	Scientific deliberations at the webinar series covered a wide range of topics in Condensed Matter Physics and Materials Science.
