

Report on HOT QCD Matter Conference 2022

Title of the event	HOT QCD Matter Conference 2022
Date and time	12-14 May 2022 (9 AM to 5:30 PM)
Mode	Offline
Department/School/Directorate/Section	School of Physical and Applied Sciences
Participants (Total)	61
Participants (Goa University)	Faculty: 2, Students: 1,
Participants (External)	Faculty: 30, Students: 28,
Resource Person/s	List attached give profile of the Resource person
The objectives / description of the activity (50 words)	The aim of this three-day conference is to bring together theoretical and experimental physicists across India in the field of QGP/Heavy-ion collisions to stimulate discussion on recent experimental results, theoretical developments, and future directions in this field.
Benefit/Key outcome of the event in terms of learning/skills/knowledge	Students and faculties from Goa University as well as from other Indian institutes benefited from this conference by presenting their recent research work and at the same time having fruitful interaction with the expert in the field.
