

A BIG THANKS !!!

to all our keynote speakers, session chairs, participants, members of the organizing team, sponsors, CMS Partner, Media Partner, Publication partner and technical reviewers

for the successful completion of the first edition

- Convener, ICASSCT 2021, Department of Electronics, Goa University, Goa, INDIA

ICASSCT 2021

ICASSCT 2021 – A major objective of the conference is to drive innovation in every aspect of advancements in sensors, signal processing and communications. The conference follows extensive blind review process and selects best of the papers for the presentation which includes technical papers, tutorials, workshops and industry sessions designed specifically to advance technologies, systems and infrastructure. The conference aims to pursue the progression from communication and information theory through to the implementation, evaluation and performance improvement of practical communication systems using signal processing technology. ICASSCT will be an excellent forum for presenting research into topics ranging from those of the physical layer to the application layer. It also provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of sensors and signal processing in communication systems. All aspects of the protocols and processes required for the future communication systems to operate better and the applications to utilize the full potential offered by the current and the emerging networking infrastructure are also encompassed. ICASSCT 2021 is scheduled to be held at International Center Goa, Goa during 19 – 20, March 2021. ICAASCT 2021 is organised by the Department of Electronics, Goa University, Goa, India. Goa is well connected by the road and rail with the Indian cities and air with the international destinations.

How to submit your paper?

Perspective authors are invited to submit the full length manuscripts in pdf format through **EasyChair**. Please [upload your full paper here](#).

CALL FOR PAPERS

ICASSCT 2021 invites full length original research contributions from science, engineering professionals from industries, R&D organizations, academic institutions, government departments and research scholars from across the world. Full length original research contributions and review articles not exceeding twelve pages in the single column format shall be submitted. The manuscript template shall be found in the downloads section. The manuscript should contribute original research ideas, developmental ideas, analysis, findings,

News & Updates

made ICASSCT a grand success in the first edition itself.

results, etc. The manuscript should not have been published in any journals/magazines or conference proceedings and not under review in any of them. Further the manuscript should contain the name of the corresponding author with e-mail id and affiliation of all authors. **Soft copy of the full length manuscripts (in .pdf) along with all technical supporting documents in the single column format shall be submitted through easychair. Please [upload your manuscript here](#).**

CONFERENCE TRACKS

- ♦ Track 1: Smart Sensors
- ♦ Track 2: Signal Processing
- ♦ Track 3: Communication Theory and Systems
- ♦ Track 4: Electronics Technology
- ♦ Track 5: Electrical Engineering
- ♦ Track 6: Computer Science and Engineering
- ♦ Track 7: Materials Science and Engineering

PEER REVIEW PROCESS

Each submitted manuscript will receive a unique paper id. The manuscripts will be initially screened to check for the conference scope and originality. All the submitted manuscripts will be sent for technical peer review process and the corresponding author will be notified the outcome of the review process. ICASSCT 2021 adopts double blind review process. If reviewers recommended for further improvements in the manuscript, the manuscript will be sent back to the corresponding author and the revised version of the manuscript shall be submitted within fifteen days on the date of notification. The final decision on the manuscript will be announced after the third round of evaluation by the technical program committee.

PUBLICATIONS

All the accepted papers of ICASSCT 2021 will be published in the [IOP Science : Journal of Physics Conference Series \(JPCS\)](#), a conference proceedings journal. [Click here](#) to view the proceedings of ICASSCT 2021 is listed in the forthcoming volumes of IOP:JPCS.
