

## Report on Introduction to IPR

<b>Title of the event</b>	Introduction to IPR
<b>Date and Time</b>	20th January 2022, 2.30 to 3.30pm
<b>Mode</b>	Online mode via Google meet platform
<b>School/Directorate</b>	RDRM and IPR Cell, Goa University
<b>Participants</b>	49
<b>Resource Person</b>	Advocate Shalini Menezes
<b>Faculty attended</b>	15
<b>Students attended</b>	34
<b>The objectives / description of the activity (50 words)</b>	This seminar was organized by the Directorate of Research Development & Resource Mobilization to present the scope of the new IPR (Intellectual Property Rights) scheme released by Goa University. The scheme offers financial support up to Rs. 50,000 in the form of RIF points. All different types of IPR's are supported (copyright, patents, trademarks, etc.) The seminar explains the scheme's various procedures for faculty members and research students.
<b>Benefit/Key outcome of the event</b>	The webinar created an awareness and clarity on the topic of intellectual property rights among the faculty and research colleagues at Goa University. The outcome would be that the faculties would be able to contribute to filing patents, trademarks, copyrights on their research activities.
