

**Final Merit List for announcing Cash Awards  
for the Goa University On-Campus SBSI 2020 Interns**

12<sup>th</sup> August 2021

The SBSI 2020 Evaluation for compiling the Merit List for awarding the cash prizes was held on the 28<sup>th</sup> and 29<sup>th</sup> of July 2021 from 2.00 pm to 6.00 pm over Google Meet. The top 3 Interns (Individuals/Teams) from each participating Department/School were invited to present their work. It was noticed that in the School of Physical and Applied Sciences (SPAS), the SEA examination had been conducted separately for M.Sc. Physics and M.Sc. Electronics SBSI interns. Hence, all the teams (7 teams) from SPAS were considered for the SBSI 2020 Evaluation. Out of these 7 teams, 1 team did not present on the day of the Evaluation. Thus, in all, there were a total of 21 presentations, which were assessed by a 9 member SBSI Evaluation Committee constituted with approval from the Vice-Chancellor. The ranking of the SBSI interns based on the Merit List is given below.
