

Report of the Field Trip and Cleanliness Drive

The discipline of Hindi, Shenoi Goembab School of languages and literature, Goa University had organized a field trip and cleanliness drive at Valpoi, in Sattari taluka on 14 March 2022. The main aim of this field trip was to bring awareness among the students and people of some villages in Valpoi. First place which was visited on this day was the Arvalem caves, which is historical place & one amongst the tourist attraction. Students with teaching & non-teaching staff went to the caves to know more about our heritage & cleaned the surrounding. After visiting this place students were taken to the canal foot bridge at Keri Sattari. Permission was taken to clean & have lunch near the place. After cleaning & having a lunch here the next location was the Ustem Dam. Students along with teaching & non-teaching staff covered half an hour walking distance to reach to the Ustem dam & collected all the plastic & glass bottles which was thrown by the visitors. This garbage was brought & dumped in the dustbins at Valpoi municipality. Around 10 bags of garbage were collected. Students were divided into small groups in order to interact with the villagers & bring awareness among them. Villagers were made aware about the environmental damage due to the use of plastic & untreated waste. Students also distributed some paper bags to the villagers. At around 5.00 pm bus returned towards the university. The program was attended by 06 faculty members, 2 non-teaching staff, 2 PhD students & 43 PG students.
