

Report on Blood Donation Campaign

Title of the event	Blood Donation Campaign
Date and time	11 march 2022, [10:00 am to 1:00 pm]
Mode	Physical Mode [offline mode]
Venue	Faculty Block F Goa business school [auditorium]
Department/School/Directorate	Goa Business School
Participants	37
Benefit/Key outcome of the event in terms of learning/skills/knowledge	Donating blood lowers the risk of cancer by keeping iron storage in the blood at healthy levels. When the body's iron level is depleted. It has been related to a decreased risk of cancer. Simultaneously, when iron levels in the body are too low, it leads to iron deficiency and other health problems.
Event coordinators	Prof. Nilesh Borde

Acknowledgment

I would like to express its gratitude to everyone who contributed to the success of this event. We appreciate the assistance and inspiration provided by Dean, Professor Jyoti Pawar, Vice - Dean (academic) Prof. Nilesh Border, and other faculty members.

Thank you to our students of goa business school [GBS] since without them, the event would not have been a success.
