Hello Arjun:

I'm pleased to inform you that the Ocean Optics XXVI Conference Planning Committee has accepted your abstract titled "Shifting optical states, ocean color and heating rates in the coastal waters of eastern Arabian Sea." and it has been assigned as a poster presentation. You are scheduled to present your poster on Monday, October 7 from 16:50-19:10.

The conference will occur from October 6 to October 11, 2024, at the Palacio de Congresos in Las Palmas, Gran Canaria, Spain. Arrival in Spain on October 5, and departure on October 12, 2024, will provide for full participation in the conference.

You also confirmed that the International Ocean Colour Coordinating Group (IOCCG) will provide funding to support your travel expenses associated with attending the conference.

Best regards,

Jennifer Ramarui
Ocean Optics XXVI Conference Coordinator, and
Executive Director, The Oceanography Society
