EXPERIENCE CERTIFICATE

This is to certify that **Mr. YATISH DEELIP RIVANKAR**, a resident of Aradim, Saligao, Cruz Wado, Bardez - Goa is engaged as full time **Intern** from 27th February 2024 till date in Vidyaapati Project at Goa University.

He was involved in Web based Scraping of Hindi data from news websites using Python. He also worked on a small web-based project named, **Domain Assigner for Mixed Text Data** which will be used in Vidyaapati Project Lab for categorizing the huge text corpus according to its domains. This project is built using Vue.js, Node.js and MySQL databases.

During this period, Mr. Yatish was found to be dedicated and sincere in his job. He consistently performed his duties well and contributed positively to the success of our team.

This certificate is issued on his request and is intended to acknowledge his valuable contribution and provide formal recognition of his internship experience at the Vidyaapati Project Lab, Goa University.

Ms. Sunayana R. Gawde
(Senior Research Associate -Technical)
