Sub: Request to collaborate in the capacity of a consultant to UCLAN on the INFUSE Project

Dear Sulochana,

I am writing to you to invite you to be a consultant for the project titled, **"Influence of sustainability education on the perception about sustainable menstrual products and contribution to Sustainable Development Goals: Evidence from India and UK" (INFUSE PROJECT)** for the UK site.

We have known your expertise and work in the field of menstrual hygiene management and would like to collaborate with you on this project. For the University of Lancashire (UCLAN) we will require your valuable contribution in terms of the following deliverable outputs:

1. Provide expertise in the designing and implementation of the pre and post survey questionnaires.
2. Coordinate with other collaborators, organize, and deliver awareness sessions on menstrual products post-baseline survey.
3. Provide support in the analysis of the data collected through pre and post survey.
4. Contribute and write the research article for publication based on the data analysis.

The period of consultancy will be during the Indian financial year 2022-23. As a consultant, we would like to offer you the total fee for your valuable time and contribution of £1665.30 only (6 hrs/week for £21.35/hr for 13 weeks = 78 hrs for £1665.30).

Dr Renuka Thakore (point of contact and the UCLAN PI for the project, RThakore1@uclan.ac.uk) will be in touch with you from UCLAN for all the necessary documentation to be carried out as a consultant/supplier for UCLAN.

Vivienne Ivins
