Dear Jyoti ma'm,

For FYMCA, I would be glad to provide a scholarship for Kiran Gawade, with a hope that he does not have to do a part time job anymore. I am ok to support him for FYMCA and SYMCA fees. The scholarship will be in the name of my late grandmother Mrs. Tarabai Raghunath Ghotge.

Dear Bhaskar,

I am sorry for the delay in getting back to you.

During the Covid period, the fees were reduced. You are right, it was less.

The details of FY(2022-24 batch), SY(2021-23 batch), and TY(2020-23 batch) fees for the academic year 2022-23 can be found in the attached letter. Also attaching the income certificates of some students who had submitted to the office while requesting approval to permit them to pay it in installments. The prospectus for 2022-23 is also attached herewith for your reference. Fee details are on page 114 for the batch admitted in 2022-23.

We are very happy to say that we had very good placements this year for the first batch of the two-year MCA restructured programme (i.e current SY Students) and the last batch of the three-year MCA programme (i.e current TY Students). Both these batches will be passing out in this academic year 2022-23 in May/June 2023.

Based on these facts, you can suggest the selection criteria that you would like us to adopt for the Needy Student Scholarships from the Alumni of the Erstwhile Department of Computer Science & Technology, now a discipline under Goa Business School at Goa University.

Just a thought - during any special occasion, each one of us the Alumni could think of donating any amount as per our wish to be used for Needy Students Fees / Initiating Startups.

Thanks and Best Regards,
Jyoti

Dear Jyoti ma'm,

Thank you for sharing the information and all your' and team's support on this. I really appreciate this.

The list of people in need is quite overwhelming. Hope we will be making the right decision going ahead.

Couple of points from my side:

1. My proposal for a scholarship was to see one student per academic year entirely through his /her MCA program. Only condition being the student should be a Goan. Will need to add more criteria given the number of people in need.
2. I have done my budgeting based on the fee structure that was given to me in May this year. Attached for reference. But what Hanumant is mentioning is almost double. Has the fees changed?

Based on earlier fees, I am happy to sponsor one person per year from the above list and continue to sponsor the same student once selected in following years. I can also check with my batch if they are willing to contribute as well (over and above my proposed scholarship). But I doubt that everyone can be helped.

Before I reach out to my batch, it would be good to clarify the confusion on yearly fees.

Thank you and Best Regards,
Bhaskar

Dear Bhaskar,

I am forwarding the list compiled by Hanumant. We all can plan for a Google meeting to shortlist a few students or the contribution can come if possible from your Batch for these 14 students for this academic year. Please let us know your thoughts.

Sorry for the delay.

Thanks and Best Regards,
Jyoti

Dear Madam,

I have one more name on the list. Kindly consider the same.

=====

Dear Madam,

Sorry for the delay as I was speaking to each of the individual students regarding their requirements. Also, there was an internet problem in my office.

After talking to each of the individual students I have come up with the list of students, year-wise. They could be helped with the part-payment of Rs. 21,560/- each. (The fee per year for MCA is around 43,120/-)

FYMCA:
2249 - Kiran Keshav Gawade
2242 - Sneharsh Kerkar
2258 - Arlekar Udesb Uday
2265 - Adarsh Anand Patekar
2231 - Sonia Vishnu Kasar

SYMCA

2118 - Atul Niloji
2122 - Suraj Pandey
2110 - Poojan Naik

TYMCA:
2067 - Sahil Shaikh
2066 - Sangharsh Loliyenkar
2001 - Anish Ahmed
2006 - Sahil Belurkar
2038 - Saleesha Naik
2020 - Rudresh Gaude

Total Rs. 21,560 x 14 = 301840/-

Total Amount is 301840 /- (Rupees Three Lakhs One Thousand Eight Hundred and Forty Only)
