

A SESSION ON ADDRESSING COMMON ERRORS OF INDIAN ENGLISH

28th February 2022

As a part of the 'Learn More and Beyond' Capacity Building and Skill Enhancement Series, Goa Business School's MBA Financial Services Department organized a session titled 'Addressing Common Errors of Indian English' for its Part-I students in the one of the classrooms at 12 Noon. The resource person for this session was Ms. Gauravi Kaunte, who is a Language and Communication Skills Trainer.

The session commenced at 12 Noon with the Session Coordinator, Dr. Prachi Kolamkar giving a warm and hearty welcome to the gathering on the occasion of the 'Learn More and Beyond' capacity building and skill enhancement series. The session kick-started with Ms. Kaunte addressing the manner in which we communicate matters more than the language you speak, language is a tool for communication. The session continued with Ms. Kaunte stressing on the importance vowel sounds and phonetics used while speaking in English, and the positive impact in speaking your regional language has in understanding phonetics in English. The other highlights during the session were common spelling errors, phrases, and substituting words from our regional language. At the concluding stages of the session, Ms. Kaunte suggested a few tips to the students in order to improve on in speaking in English fluently.

The session concluded with Ms. Kaunte addressing a few queries from the students and professors respectively. The students as well as the professors enjoyed the session and were happy to learn about the common errors made in speaking in English. The session ended at 1:00 PM with Miss Rhea Gaunkar, a student of MBA Financial Services, Part-I, proposing the Vote of Thanks.
