Subject: WPI Accepted Student, Congratulations!

To: mariya01hn@gmail.com <mariya01hn@gmail.com>, tpolio@wpi.edu <tpolio@wpi.edu>

Hello Mariya,

Congratulations on your admittance to Worcester Polytechnic Institute's (WPI) Biotechnology program!

I wanted to reach out to provide you with the next steps in the enrollment process.

1. Accept, decline, or defer your offer of admission via the **Admitted Student Response Form** in the [application portal](#). Once processed, your offer of admission is valid for up to one year.
2. Pay your non-refundable deposit of \$500. The deposit is applied towards your tuition and holds your seat in the program (waived for WPI alumni and BS/MS students).
3. Submit your **Proof of Financial Resources** and a copy of your passport to the [application portal](#). *A certification form with instructions will be provided after you have submitted your decision and paid your deposit.*

Once all steps have been completed, WPI's [International House](#) will reach out and provide you with the documentation needed for the Form I-20. Visa materials are generated 4 months prior to the start of the semester.

If you have any questions regarding your visa or I-20 paperwork, please contact WPI's International House at ih@wpi.edu.

The International House also hosts **virtual office hours via Zoom**, which can be accessed here: <https://wpi.zoom.us/j/709157000>. Virtual office hours are Monday to Friday from 3pm-4pm and Wednesday 9am-10am. All times are Eastern Standard Time (EST).

WPI provides outstanding career opportunities for its students. As you wait for your Form I-20 paperwork, be sure to visit the [Career Development Center \(CDC\)](#) page. The CDC has compiled a [list of resources](#) to help you learn about salary expectations and companies that have hired our recent graduates.

To view WPI's current tuition, please visit [here](#). You can also view the [cost of attendance](#), which includes fees, room and board, medical insurance, books and supplies, etc.

You can learn more about financial aid opportunities for WPI graduate students [here](#). There is also a funding webinar, available on demand, as part of our [Graduate Studies Webinar Series](#).

We look forward to seeing you at WPI!

Regards,

Tom
