Respected Sir

Sub: Appreciation letter - reg

We want to kindly thank you good self and we are glad to inform you that there are many students and alumni who are associated with us and are working with us as part-time faculties in one of our sister concern organizations "Hello Home Tuition". Hello, Home Tuition is our wing which provides an opportunity to earn on a part-time/full-time basis for students/ working professionals and many students have been selected from your esteemed institute to teach with us on a part-time/full-time basis along with studies and regular jobs. We kindly express our gratitude and appreciation to Goa University, for providing excellent support in providing these knowledge lamps to society.

We are happy to have the following students from Goa University as a part of our team. The following students have been working with us:
