Dear Student,

Greetings from Unichem Laboratories Ltd !!

Thank you for showing interest and participating in the Campus Recruitment Session held at your College. It was great interacting with you and learning about your achievements.

With great pleasure, I extend the offer of employment to you on behalf of **Unichem Laboratories Ltd**. You have been selected for the Post of Apprentice in Quality Control Department. The duration of the course will be 1 Year. You will be given opportunity to apply for Permanent Vacancies after completion of Apprenticeship period, subject to your performance during the Apprenticeship period and availability of vacancies.

Kindly inform us once you finish answering your Final Semester Examination so that we can proceed further with your Onboarding Process.

Please feel free to contact the undersigned for any Clarification / Support.

A Brief about the Company

Unichem Laboratories limited is a leading pharmaceutical company with increasing focus on innovative research and developed markets. Unichem has several pharma products that address the needs of relevant and growing therapeutic areas like gastroenterology, cardiology, dialectology, psychiatry, neurology, anti-bacterial, anti-infective and pain management. Kindly visit our website www.unichemlabs.com for more details. We are looking for young and dynamic individuals with excellent academic as well as professional track record for our Goa Facility.
