

April 5, 2024

Dear Sejal Kumar,

CONGRATULATIONS! I am pleased to inform you that you have been accepted for fall 2024 admission to the University of Miami Rosenstiel School of Marine, Atmospheric, and Earth Science, one of the world's leading earth, marine, and atmospheric science research institutions. You have been selected from a group of highly competitive applicants and our goal is to ensure that you reach yours.

Your appointment as a **Graduate Research Assistant** at the Rosenstiel School of Marine, Atmospheric, and Earth Science is for **60 months beginning August 2024**. This appointment covers stipend, health insurance, and tuition waivers (~60 credits) for the full 60 months, contingent upon satisfactory academic progress. The current stipend for this appointment is **\$3,175 per month**. Your Graduate Assistantship carries with it fully paid health coverage through the University of Miami Student Health Insurance Policy (<http://www.miami.edu/student-health>). Your advisor will provide you with a one-time moving allowance of \$2,500 to be paid out the first week of August 2024. You must be enrolled as a full-time student for the fall 2024 semester with direct deposit setup (domestic bank account or credit union only) in CaneLink no later than July 15th, 2024. Your receipts related to moving expenses (housing security deposit does not qualify) are due to the Graduate Studies Office (gso@earth.miami.edu) no later than September 15th, 2024. If you do not provide receipts in the full amount of \$2,500, any unused funds will be reversed on your student account. The total value of this offer is approximately \$97,660.
